Mr. R. W. Nuzum, President
Coeur d'Alene Mines Corporation
605 Columbia Building
Spokane, Washington

Dear Mr. Nuzum:

I acknowledge the receipt of your letter of the 28th asking that I be in Spokane Sunday to discuss with you the matters pertaining to the application to have Coeur d'Alene Mines Corporation stock listed on the Standard Stock Exchange, and that, of course, means that we will also have to discuss and prepare the papers required by the Securities Exchange Commission.

I had made other plans for Sunday but as this matter is very important I will cancel my engagements and arrange to be in Spokane Sunday. Unless otherwise advised I will meet you at your office say at 9:00 o'clock Sunday morning.

I have not yet received a reply from Mr. Asher to my letter of March 23rd but may hear from him before leaving for Spokane.

With best wishes,

Very truly yours,
A C FROST
