Mr. Hughes

Dear Sir

I'm writing you about the crooked deal I received on my cotton cut. I'm working 18 acres of cotton I signed up to cut one fourth which would leave me 14 A in cotton. They have cut me to 11 acres of cotton which makes 7 acres took out of cotton and they are going to pay me rental on just 4 acres of ground. The committee here at Palmer also took about 35 lbs of lint per acre from me. I'm one of the small farmer's that not getting a fair deal. I'm coming to you for my Constitutional rights to be protected.

Very truly yours  
Walter Coplen
