RE: Cooperative Arrangements with New York Stock Exchange
and Other Exchanges

After discussing this matter with Marc, I am attaching material summarizing the subject arrangements currently being implemented, as well as some background comments relating thereto. It seems to me that even though there is no present impetus from the S.E.C. or elsewhere to broaden or formalize these arrangements, it would be appropriate to have the Internal Reorganization Committee take cognizance of them and, unless they feel otherwise, to officially recommend that no further steps need be taken at this time.
