Memorandum

TO: Files

DATE: July 2, 1975

FROM: Ronald G. Wendel

SUBJECT: Report on BPA personnel involved in developing and coordinating the execution of the WPPSS Option and Services Agreement and the Participants' Agreement

As part of BPA's cooperative participation in the region's development of new power and energy resources BPA personnel have been involved in the drafting and in coordinating the execution by participants of Washington Public Power Supply System's Option and Services Agreement and Participants' Agreement. The purpose of this memorandum is to indicate for further reference those individuals involved in such actions.

Those individuals at BPA who were primarily involved in the drafting of such agreements are:

Larry G. Hittle, Special Assistant to the Regional Solicitor, Portland

Hector J. Durocher, Acting Assistant Administrator for Power Management, BPA

David J. Anderson, BPA Project Manager

In addition the following individuals, to a limited extent, participated in some phase of such drafting:

Robert E. Ratcliffe, Regional Solicitor, Portland

Carl Ray Foleen, BPA Deputy Administrator

Donald W. Franzwa, Head, BPA Contracts Section

Ronald G. Wendel, attorney, Regional Solicitor's Office, Portland

Lawrence A. Dean, Chief, BPA Branch of Power Supply

Bonneville's organizational setup in the Pacific Northwest has in the past been quite conducive to distributing and collecting executed contracts and related documents. Rather than WPPSS duplicating such a setup Bonneville offered as part of its cooperative effort to use its personnel to distribute and collect the WPPSS Option and Services Agreement. Those personnel primarily involved were:

Larry G. Hittle, Special Assistant to the Regional Solicitor, Portland

Ronald G. Wendel, attorney, Portland Regional Solicitor's Office

Harvard Spigel, Public Utilities Specialist, BPA Contracts Section
