 In addition to its ongoing program of research for Congress, the Congressional Research Service is planning to publish a concise analysis of one or two major topics of interest to the 2nd session of the 95th Congress. This publication is for Members with varying amounts of experience and background in the subject area. From the list below please select the one topic which you would be most likely to read and use in your day-to-day activities as a Member of Congress. Please make only one selection. If you would like to suggest a topic we have not mentioned, please use the space provided at the end of the list.

Check the ONE you would most likely read and use
