Hon. John R. Evans
Member,
Securities and Exchange Commission
500 North Capitol Street
Washington, D.C. 20549

Dear John:

Congratulations on your nomination for membership on the Commission. I am glad that the President finally got around to doing what could, or more properly should, have been done a long, long time ago.

You have been subjected to a most peculiar form of Georgian water torture. You have endured well the long ordeal and we are proud of you.

Good luck!

Sincerely yours,

DANIEL J. MC CAULEY, JR.
