Deputy Counsel to the Vice President
The White House
Washington, D.C. 20501

Dear Richard:

The enclosed memorandum includes all, or nearly all, of the substantive topics that we are likely to recommend for consideration by the Task Group. Regrettably, it is not in a form that is likely to be useful for publication in the Federal Register. It should, however, be possible for you to adapt without too much difficulty. I hope that it will be adequate.

Please let me know if you need something else.

Sincerely,

A handwritten signature in cursive script, appearing to read "Russ", written over the typed name.
