Dear Linda;

Thank you for taking the time this morning to meet with me. And thank you for the coffee. While I can promise to attend early morning meetings, I can't promise to be awake at them without my dose of caffeine.

I look forward to an opportunity to work with you at the SEC and believe I could make a significant contribution to the Commission's Office of Legislative Affairs. My knowledge of the Hill, experience working with members and staff on the Senate Banking and House Energy & Commerce Committees, and legal background in the financial services area would enable me to successfully represent the Commission on legislative matters.

Please let me know if I can provide additional information or references. Again, thank you for your time and interest.

Sincerely,

  
Nina G. Gross
